

## Heating and Air Conditioning: All Technical Service Bulletins A/C - HVAC Sub-Assembly Availability

NUMBER: 24-001-04

GROUP: Heating &amp; Air Conditioning

DATE: January 20, 2004

SUBJECT:  
New HVAC Sub-Assembly Replaces Blend Or Recirc Door Components

MODELS:

1999 - 2004 (WJ/WG) Grand Cherokee (All Markets)

DISCUSSION:

Model Year	Drive	HVAC Control	Sub-Assembly	Part Number
99-01	LHD	Auto Zone Control (AZC)	Mid-Case Blend	05134349AA
99-01	LHD	Manual	Mid-Case Blend	05134351AA
99-01	RHD	Auto Zone Control (AZC)	Mid-Case Blend	05134348AA
99-01	RHD	Manual	Mid-Case Blend	05134350AA
02-04	LHD	Auto Zone Control (AZC)	Mid-Case Blend	05134353AA
02-04	LHD	Manual	Mid-Case Blend	05134355AA
02-04	RHD	Auto Zone Control (AZC)	Mid-Case Blend	05134352AA
02-04	RHD	Manual	Mid-Case Blend	05134354AA
99-04	LHD	Auto Zone Control (AZC)	Air Recirculation	05134347AA
99-04	RHD	Auto Zone Control (AZC)	Air Recirculation	05134346AA

New HVAC sub-assemblies are now available in the Mopar Parts system. Each new sub-assembly consists of several individual components. The new sub-assemblies improve component reliability. It is recommended that the respective sub-assembly be installed if a blend air door(s), a recirculation door, a door link, or a sub-assembly housing requires replacement. The following table provides the part numbers for the new HVAC sub-assemblies.
